- Loading Dock

## **PARKING SUGGESTIONS: Closest Parking to Zeiders American Dream Theater is the [BLUE GARAGE](#)**

Entrance to the Blue Garage is on Town Center Drive. When you enter the Blue Garage, you can park on any floor. The only floor that you can access the bridge to get to our plaza is the 2<sup>nd</sup> floor. If you park on another floor (other than the 2<sup>nd</sup> floor), take the COLUMBUS STREET GUEST ELEVATOR to the 2<sup>nd</sup> floor (marked on this map) and you'll see the bridge on that floor. Go across the bridge and turn right and you will see 2 sets of double doors and that is our entrance (on the left).

***All parking garages have either 30min. parking with a sign, 2hr parking with a sign, Reserved parking with a sign. They also have free all-day parking. The Free all-day parking won't have any sign on the parking spot. There is also handicap parking in the parking garages. All street parking is 2 hr. parking only. If you cannot find any parking in the Blue Garage, please check the map for other parking garages close to The Z.***

Our theater is located on the second floor of Block F. All first floor of Block F is retail stores. We are not located on street level. We are only located on the 2nd floor of that block.

A street level elevator is located to the left of the Grand Staircase. There is no ground level elevator located inside our theater building. At the top of the Grand Staircase is The Z's set of double door entrances on the right.

To access the loading dock after scheduling it with our Tech staff, it is located on Market St. Please see map.
